

A top-down view of a collection of children's socks, a rainbow toy, and colorful candies on a grey background. There are two pairs of socks: one pair with yellow, grey, and tan stripes, and another pair with red, grey, and tan stripes. A wooden rainbow toy with seven segments is positioned in the center. Several small, round, colorful candies (purple, orange, blue, red, green, yellow) are scattered around the socks and the rainbow toy. A small, light blue heart icon is also visible near the top center.
